Opis

"Ecovital" is a family-based company based in the village of Bikic Do, in the municipality of Sid. We are engaged in the production of 100% pure cold cut oil, natural flour and spread from oil crops. The production process is completely natural, without the thermal processing of raw materials, without chemical additives and preservatives. Our oils are marketed as pure 100% raw oils, which means that we provide you with oil free from any other oil in the declared product.
